

Pressure gauge differential type

Data

Size:	100 and 150 mm
Connection:	100 = 2xG 3/8" 150= 2xG 1/4"
Scaling:	Double scale, BAR - PASCAL
Accuracy:	Class 2,5
Working pressure:	Full-scale value. Maximum static pressure = 5 x full scale.
Operating temperature:	-40 +60 °C
Protection class:	IP54
Accessories:	Electric switch, needle valve, Balancing valve
Special:	
Manufacturer:	SMF

Svenska Manometerfabriken AB
